Circular

To,
The All India Tiles Dealer/Exporter.

With kind regards we the Ceramic industries are currently facing huge losses due to huge increase in ceramic raw materials, gas and packaging prices for the last 6 months. Hence to maintain quality and our supply continuity, We have to inevitably increase 10 % price in our wall, floor parking ceramic products from 1st Feb.25.

If there is a delay in accepting this price increase, then the industry will have to force to cut production, We have been getting your cooperation and hope that you will continue to get it as a channel partner.
